

Cyber Security For Health Care Providers

Presented By
Florida Department of
Law Enforcement
Special Agent
Corey Monaghan

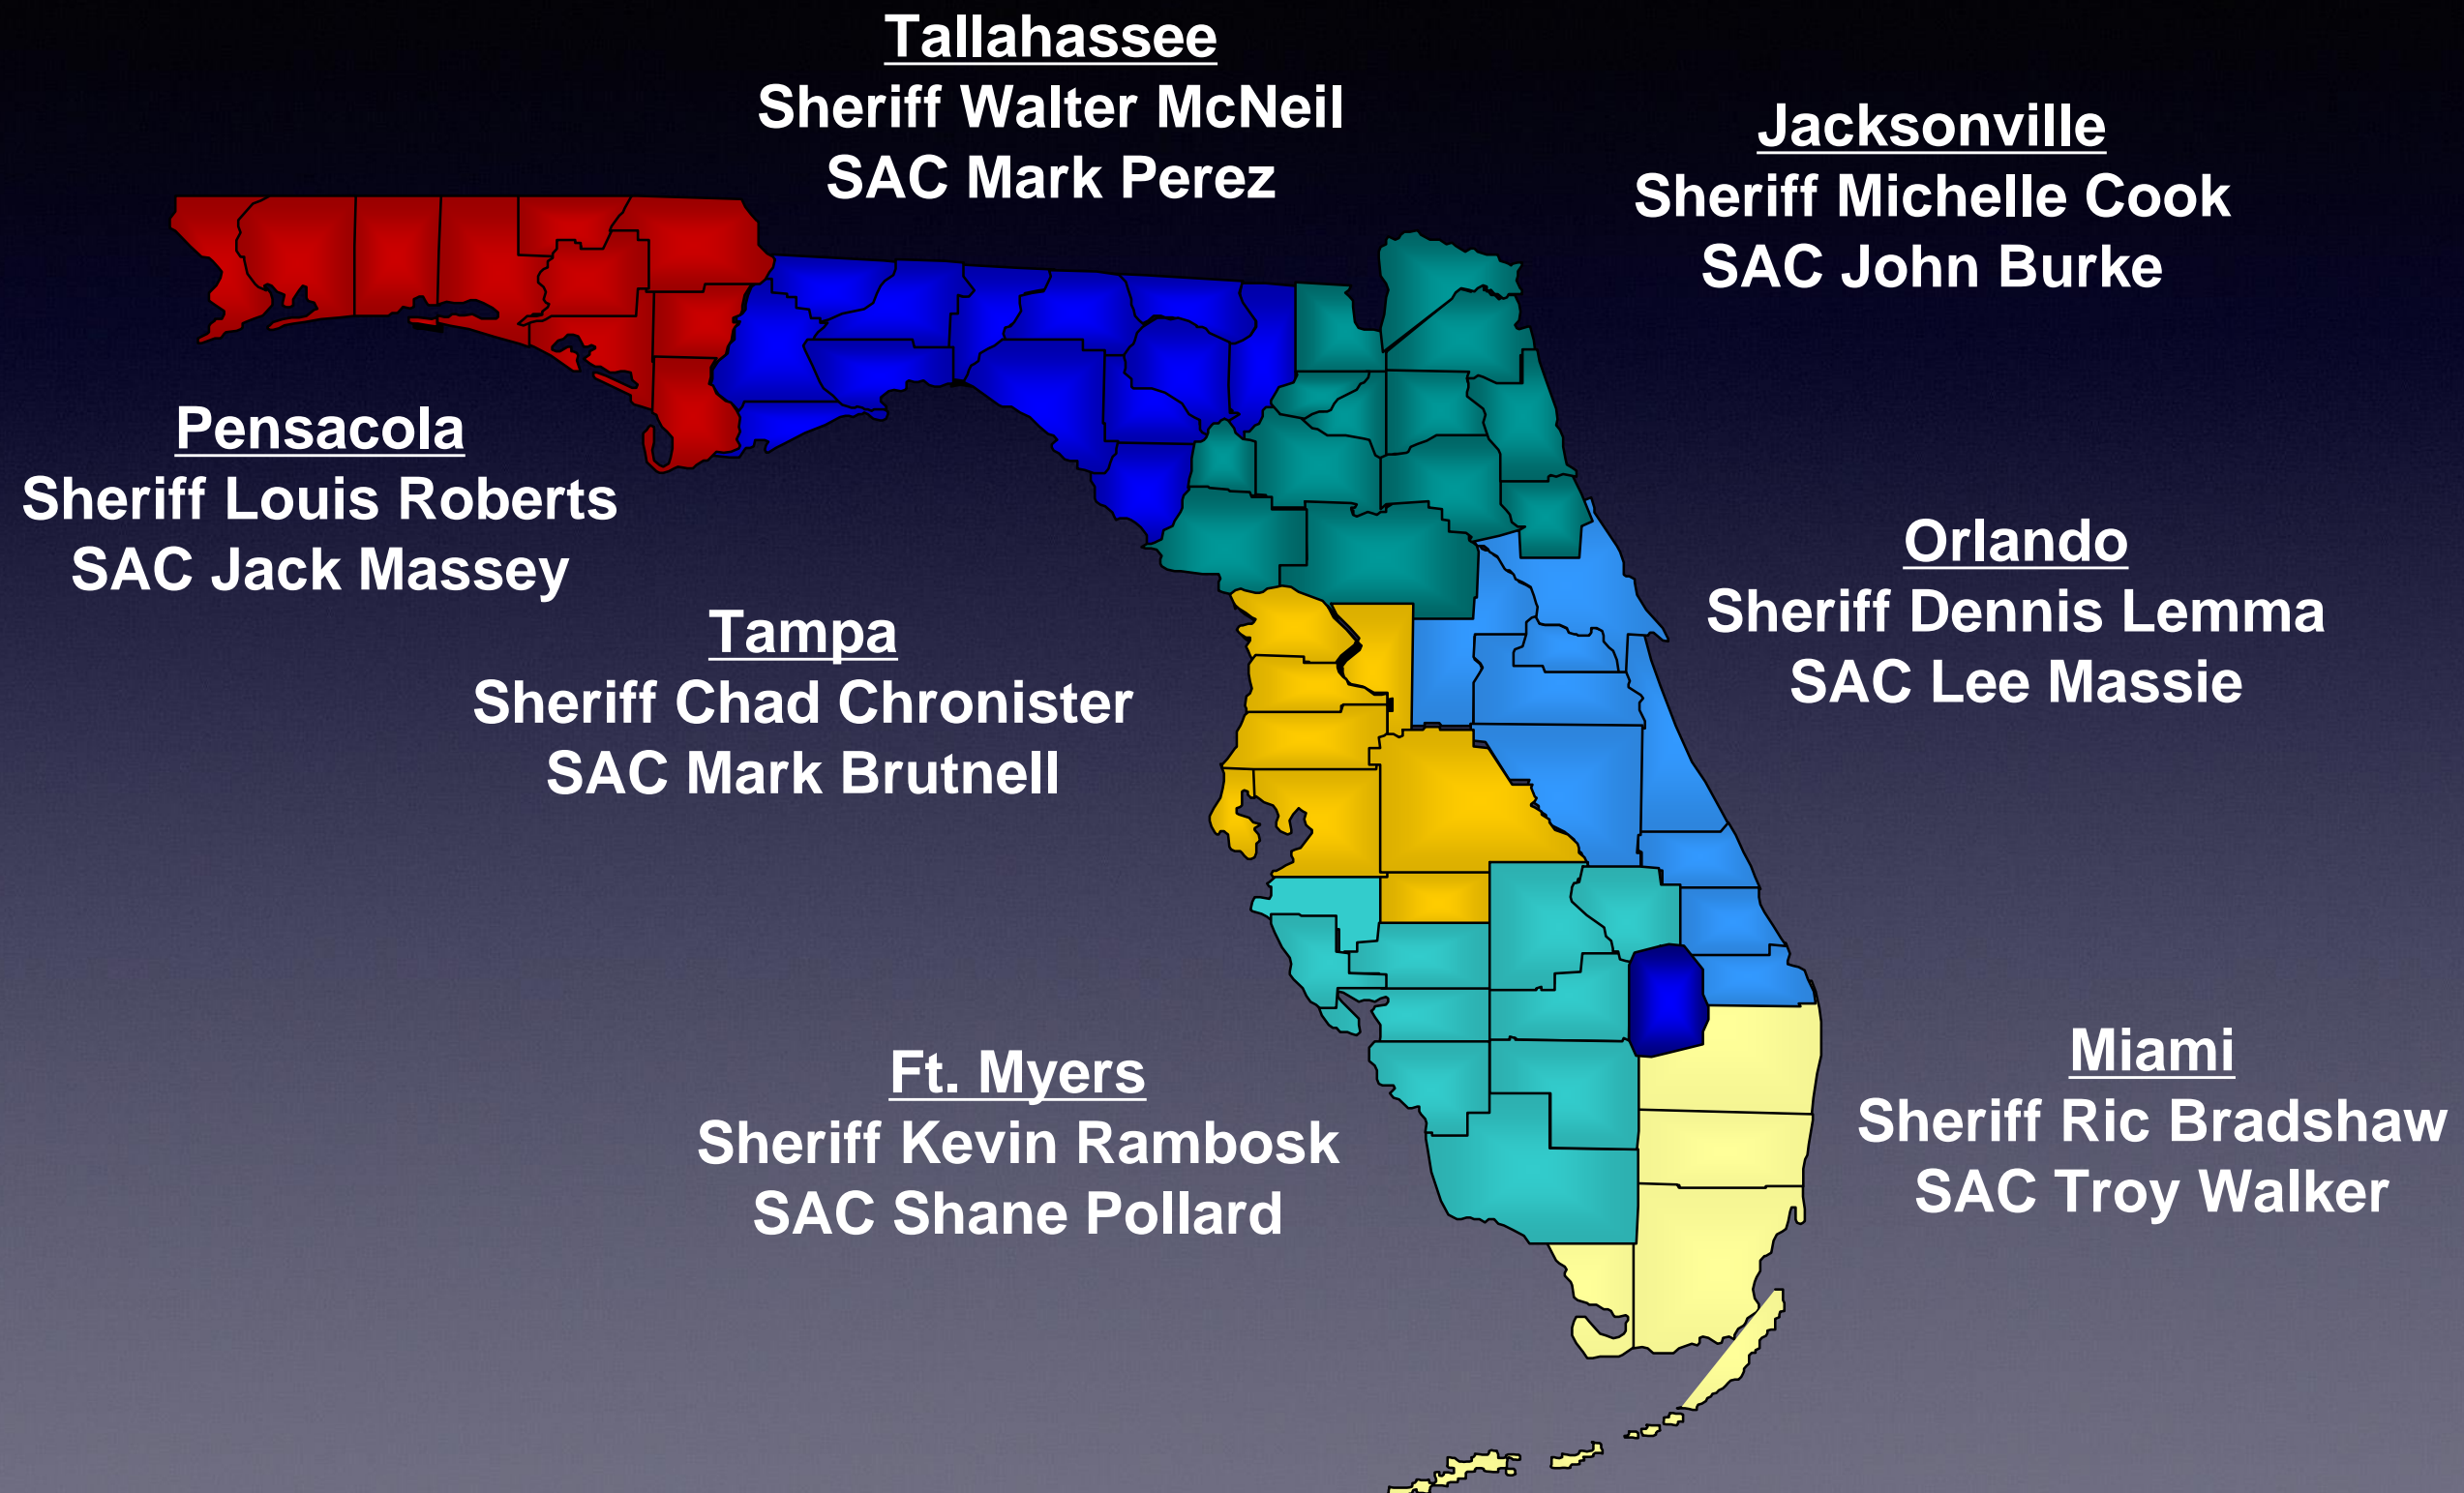

FDLE Cyber

- **Cyber Squads respond to complaints of computer-related crime originating from citizens, FDLE offices, and other law enforcement agencies in the state.**
- **Typical cases include network intrusions, denial of service attacks, and Internet-related crimes including crimes against children.**

IT is not Cyber Security

- IT contractor makes sure your technology works**
- Audits and Risk Assessments need to be conducted!**

Mandatory Reporting of Confidential Personal Information Loss

- Florida State Statute 501.171; Security of Confidential Personal Information, mandates any “covered entity” to report loss of 500 or more records to the Office of the Attorney General.
- This must be done within 30 days

Reporting is Confidential

- **FSS 119.071 General exemptions from inspection or copying of public records.**
 - **Fire Plans and Security Infrastructure**
- **FSS 501.171 Reports to the Office of the Attorney General are exempt from public record.**
