

## Coalition Project Guidance (FY 24-25)

### **What constitutes a clean project?**

- ▶ Facility/agency currently has an MOA on file with the regional coalition
- ▶ Facility/agency must provide a W-9 form.
- ▶ Requestor has completed ALL required information on the project request form.
- ▶ Submittal includes both, an MS Word version and a PDF version **(signed by requestor)** of the project submittal form.
- ▶ An actual vendor quote or statement of work from a service provider must accompany each project request.

### **Obtaining a Quote**

- ▶ Quotes are from real vendors and will have contact information for the company and individual that you spoke with to get the original quote.
- ▶ Amazon, Ebay & Online Drop Shipper type quotes are unacceptable. (We need to be able to talk to someone) We will also ask them for a W-9 when we talk to them.

**Project Suggestions** (Projects can benefit your facility but must support a regional capability. Below are some examples of projects from previous years)

- ▶ **Infectious Disease / Control Prevention, such as Electrostatic Disinfectant sprayers**
- ▶ **Fit Testing equipment** (must have a respiratory Protection Program in place)
- ▶ **Screening Equipment**
- ▶ **Training/Educational opportunities** (must benefit a health care sector or region partners, not just an individual entity)
- ▶ **Emergency Lighting** (Hallways, stairwells, etc)
  - ▶ Portable Lighting
  - ▶ Emergency Headlamps
- ▶ **Redundant Communications Capabilities** (ie Plum Case, HAM Radio, etc)
- ▶ **Cots for SpNs Patients** (Host evacuation facilities. Must be documented in your existing plans)
- ▶ **Patient Emergency Evacuation Equipment**
- ▶ **Ambu Bus MCI related**
- ▶ **Radios for command center / emergency use (not daily use radios)**
- ▶ **MCI - EMS Surge Related**
- ▶ **Surge related preparedness items (not just the word)**
- ▶ **Regional Training offerings (we can supply some printed materials)**
